Our perspective of education is holistic in nature combined with strong values and traditions. The concepts like blended learning, digital learning and activity-based learning have been implemented to enhance learning outcomes of our children. I firmly believe that all these new initiatives will prepare our children to accept and face challenges of the changing educational environment with fortitude and aplomb.

# JAIPURIA PHILOSOPHY

## OUR VISION

We aim to nurture happy and confident children by providing child-centric learning. Our endeavour is to promote creativity, environmental sensitivity and academic excellence. We help inculcate a spirit of lifelong learning for our children to be effective change agents.

## OUR METHODS

Our highly qualified teachers use most innovative methods to impart child-centric learning. We recognize talent, encourage creativity, and tap into the immense potential of each and every student. We use cutting-edge technology to keep pace with the modern times.

## OUR GOALS

Excellence in education is our primary goal. We aim for holistic development of a child's mind, body, and spirit. We educate the mind, train the body, and inculcate values of perseverance, tolerance, optimism, mutual respect, and sensitivity towards the natural environment. We aim to create strong personality.

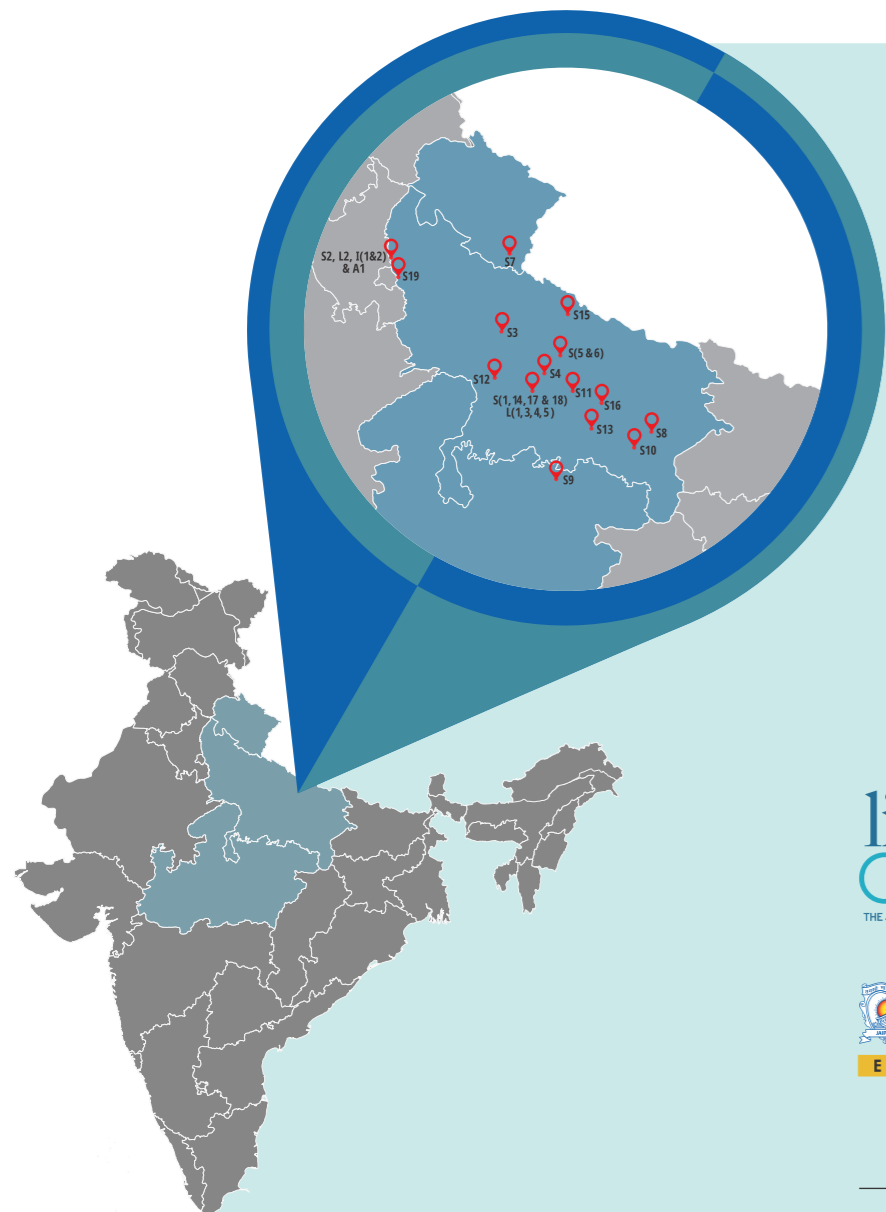

## LEGACY OF JAIPURIA

The rich legacy of Seth Anandram Jaipuria Group of Educational Institutions goes back to 1945, when Seth Anandram Jaipuria College was founded in Kolkata and was inaugurated by Pandit Jawaharlal Nehru. Since then, the Jaipuria Group has made giant strides in the field of education. Today the group runs 19 K12 schools, 5 preschools and 2 Management institutions in 11 cities with 20000+ students and 15000+ alumni.

# ABOUT THE CAMPUS

Seth Anandram Jaipuria School at Varanasi has a sprawling campus with spacious classrooms and all the educational facilities a child needs for an all-round development. The library is well stocked with books on a wide range of subjects. The English Language Lab uses technology to teach correct pronunciation, build vocabulary, and improve English linguistic skills that are so important for a child in today's globalized age. The Math Lab sharpens the analytical mind with practical puzzles and problems of arithmetic, geometry, and algebra. The Science Lab introduces students to the rudiments of chemistry, physics and biology. The Computer Lab keeps a child up to speed with technology and encourages practical application of scientific knowledge. We have play zones for indoor games, and playground for outdoor sports. There is a big multi-purpose hall for activities like **yoga, dance, and gymnastics**. Facilities like **Music Garden, Science Park, Splash Pad** are the major highlights of the campus. Students interested in music can choose from a variety of instruments at the Music Room. Likewise, the Art & Craft room teaches the essentials and fine points of painting, sculpting and origami. The Audio-Visual Room introduces a child to multi-media. The whole campus is scrupulously clean and safe with all necessary hygiene and sanitary measures.

## MESSAGE FROM THE CHAIRMAN

Ever since its inception in 2019, Seth Anandram Jaipuria School at Varanasi has crossed new milestones of academic excellence. Not only we have emerged as a leading educational institution in the region, we were also rated among the top 500 schools of India by Brainfeed School of Excellence Awards in 2020. It is with delight, I say that we continue our march ahead in 2021 to impart quality education to the students of Varanasi and nearby areas. I believe that quality is never an accident. It is the result of high intention, sincere effort, intelligent direction, and skillful execution. At Seth Anandram Jaipuria School, we hold these values high, and constantly design and redesign the curriculum and programs to prepare the students for the ever-changing world. We aim to create young educated minds that can confidently rival those of the best institutions of India, and even the world. Our commitment to education continues in the new academic year. Let's join hands together for a bright future of our children.

## MESSAGE FROM THE PRINCIPAL

Year 2020 marked a major shift in pedagogy. Our teachers and students had to adapt to new ways of teaching and learning, and I am glad to say that Seth Anandram Jaipuria School successfully turned the adversity into a new opportunity. Carrying forward the tradition of excellence in education, we are now moving into the new Academic year in 2021 with confidence and certainty of tiding over new challenges that may come our way. Our teaching staff is fully prepared to impart the best pedagogical instruction under the New Education Policy. I want to particularly assure the parents that Seth Anandram Jaipuria School has taken all necessary measures and precautions to ensure the safety of students from the health point of view. We are all set for both classroom instruction and online instruction without compromising on the curriculum. Our school is a happy place where young minds are nurtured to become tomorrow's leaders and geniuses. We are excited in taking this legacy forward and we welcome you to be a part of this journey.

**SHWETA TIWARI**  
Principal

# JAIPURIA CURRICULUM

Seth Anandram Jaipuria School offers a national syllabus, guided by NCERT, New Delhi, along the lines of the New Education Policy.

To prepare our students for the 21<sup>st</sup> century, we have many complementary learning and skill development programs and activities in the curriculum. They are aimed at sharpening a student's mind. Additionally, we have incorporated a happiness period to counter the stress that students might feel in the course of their studies. The happiness period occurs on weekly basis. It involves activities that help students cheer up. It shapes their temperament congenially to face different situations with calm and ease.

# PREPARING STUDENTS FOR 21<sup>st</sup> CENTURY

## SOCIAL EMOTIONAL LEARNING

Developing self-awareness, self-control and interpersonal skills in students to help them cope with modern challenges.

## CODING

Early introduction to coding (computer language) for kids through easy, enjoyable and practical methods.

## LITERACY & NUMERACY SKILLS

Enhancing a student's ability to read, write, comprehend, understand and calculate using modern technology tools.

## CREATIVITY & CRITICAL THINKING

Innovative ways to encourage creativity and sharpen critical thinking in students.

## DESIGN THINKING

New approach to problem solving in five smart steps: Empathise, Define, Ideate, Prototype, & Test

# BEYOND ACADEMICS

At Seth Anandram Jaipuria School, we go beyond academics to bring out the best in students. Teachers are quick to recognize talent and encourage artistic creativity, performative skills, and aptitude for sports. These co-curricular activities are an essential part of our teaching program and they ensure a harmonious physical, mental and emotional growth in a child.

## VISUAL ART

Drawing, painting, and Art & Craft classes to help students use their imagination creatively.

## LIFE SKILLS

Life Skills such as self-defence, first aid, and time management to equip your child for the real-world challenges.

## LABS

English Labs to teach pronunciation and vocabulary. Maths Labs to grasp concepts of arithmetic, geometry & algebra.

## VR & AR LABS

Virtual Reality and Augmented Reality Labs for more immersive learning experience by using cutting-edge technology.

## SPORTS & GAMES

Lots of games and sports to choose from: cricket, football, basketball, volleyball, table tennis, chess, carrom and many more.

# TECH INTEGRATION

## DIGITAL CLASSES

Our students benefit immensely from virtual learning classes that ensure uninterrupted teaching even at a distance.

## PARENT SCHOOL APP

# INTER-JAIPURIA FESTIVALS

COMFEST is the centrepiece of Inter-Jaipuria Festivals. An annual event, the festival is a social-cultural-technological extravaganza that tests and celebrates creative expertise, mental aptitude, literary prowess, and technical proficiency of participants. Hundreds of students from national and international schools take part in multiple events at this fest.

COMPUFEST is a great platform for all the computer geeks and nerds to show their talent. It's a proud 15-year-old legacy of Seth Anandram Jaipuria Schools. Aimed at pushing the boundaries of Artificial Intelligence learning, the fest invites computer whizz-kids to participate in multitude of events. Each event focusses on different aspects of AI.

Razzmatazz is a festival that fetes creativity in children from pre-primary to grade 12. In its five editions so far, the festival has seen participation by hundreds of students from dozens of schools across India. Each year's festival has a new theme around which multiple events of performative arts are held and evaluated by dozens of judges.

Debating skills, logical thinking, critical analysis, and linguistic eloquence come to the fore at Dr. Rajaram Jaipuria Memorial Debate. In three years of its running, the debate has emerged as a notable meeting-of-the-minds event where debaters from several schools compete to put across their points of view.
